Be the best we can be!

Our assembly topic next week is: Get Active and Be Safe

The Year 6 children revised during their break, whilst eating carrot muffins as part of the Eat them to defeat them campaign!

3J did a brilliant job choosing a classmate that tried their hardest at handwriting in their lesson.

Fantastic robot building in Science club this week! The pupils are loving taking part in problem solving activities during Science club and have to use a variety of resources to be able to solve them.

FS2 had a great World Book Day—as did all other year groups. It was great to see so many children dressed as their favourite characters. During the day the children took part in different activities around some fantastic books and choose a new book to listen to as a class.

Thank you to all the parents who attended the Stay and Read session in the morning!

Message from the school:

We have been acting on the advice from the Government about the Coronavirus.

We have been encouraging all pupils to wash their hands thoroughly in school and to regularly use the hand sanitiser that is available in each classroom.

Please encourage your children to do the same at home.
