## Reading books

Reading at home is vitally important. Please remember to read at home every night and get your home reading record signed.

## As readers we will be:

- Enjoying reading The Man on the Moon and The Tunnel
- Reading with fluency and expression
- Developing our comprehension skills and applying them independently

## As writers we will be:

- Writing detailed sentences using noun phrases, conjunctions and a wider range of punctuation
- Writing an email, a recount, an explanation text and some poetry

## As mathematicians we will be:

- Properties of 2D and 3D shapes
- Fractions of shapes and numbers
- Practising 2, 3, 5 and 10 times tables

## In geography we will:

- Using maps to locate Hull
- Using map symbols to find out about the local area
- Comparing Hull to a rural area
- Using compass directions

# Year 2 – Spring 2

## As scientists we will be:

- Learning about micro-habitats
- Learning about food chains
- Revising why habitats are important
- Learning about mini beasts
- Carrying out a range of investigations
- Continue working scientifically
- 'Amazing Ants' topic for science week

## As musicians we will be:

- Learning more about rhythm
- Singing simple songs
- Using instruments to keep a rhythm

# Current Topic

Our current topic is learning about Hull.

Follow us on Twitter to find out more about what we are doing each week! We are @MountbattenPrim

## In Computing we will be:

- Exploring how computer games work
- Understanding the importance of a clear algorithm (set of instructions)
- Correct instructions (debugging)

## As artists we will be:

- Studying the work of Salvador Dali
