Water Bottles: Please make sure your child brings a bottle of water to school every day

## As readers we will be:

Using our knowledge of predicting, questioning, summarising and clarifying to read and understand 'The Firework Maker's Daughter' by Philip Pullman.

We will be focussing on PEE questions.

## As writers we will be:

We will be enjoying and discussing biographies and writing our own, we will look at the biography about Mary Anning who discovered certain fossils. We will also be taking part in for and against discussions and then write our own short story.

## As musicians we will be:

Learning to sing Benjamin Brittan- there was a monkey.

## As mathematicians we will be:

Using our maths mastery knowledge to learn how to tell the time and answer word problems based on this knowledge. We will also learn how to read bar graphs and answer word problems using these.

## In computing we will be:

Learning about input and output devices and be able to give examples of these.

# Year 3 – Spring 2

## In French we will be:

We will be continuing to learn how to say what activities you can do.

## As artists and designers we will be:

Learning how to paint in the style of LS Lowry

## In RE we will be looking at:

We will be learning about the Easter Story and answering the key question, what was 'good' about Good Friday.

# Curriculum

## Mountains:

We will be learning about mountains in the UK. We will learn how mountains are formed and the different physical features of different types of mountains.

## As scientists we will be:

We will be investigating rocks. We will be learning about the different groups of rocks and the different components.

## As Historians and Geographers we will be:

Learning about the different mountains around the UK and the negatives and positives of living on a mountain.

## In PE we will be:

Learning how to dance in the traditional style of Bollywood dances and learning some of the key mudras.
