As readers we will be:

We are going to continue using our knowledge of predicting, questioning, summarising and clarifying to read and understand Fintan Fedora the World's Worst Explorer by Clive Goddard

As writers we will be:

We will be enjoying and discussing the books Escape from Pompeii and The Lost Happy Endings. We will be creating our own newspaper report and other different pieces of writing, making sure that we are using all of the year 4 expectations that we have learnt so far.

As musicians we will be:

Learning to play and compose songs using the trumpets.

As mathematicians we will be:

Using our maths mastery knowledge to learn about time and decimals. We will also be beginning to learn about the use of money and how we can use our knowledge of decimals to help us.

In computing we will be:

Learning about different types of digital literacy. We will also be learning how to use different software and understand the importance of computer networks.

Year 4 – Spring 2

In French we will be:

Learning the dates and months in French, we will be able to say and write the date and be able to say when our birthdays are in French.

In RE we will be looking at:

We will be focusing on the religion Judaism, in particular we will be looking at the use of Kashrut rules and how important this is in a religion.

Curriculum

Volcanoes and earthquakes:

We will learning about the Volcanoes and Earthquakes, we will be able to ask and answer questions about them and understand the physical properties of both.

As scientists we will be:

We will be studying states of matter. The children will look at the different properties of solids, liquids and gases and will conduct an investigation on different melting points.

As Historians and Geographers we will be:

Using a variety of sources to learn about the volcanoes and earthquakes and the physical and humans' effects they have.

In PE we will be:

We are going to learn and recognise the different outdoor activities that we can do and begin to be adventurous by orienteering and creating our own course.
