Mountbatten Primary School Newsletter

Be the best we can be!

Stay at home and stay safe

We hope you have kept busy this week. As you can't come into school at the moment, we thought you might like to see the blossom trees that look beautiful right now.

We are all missing seeing you all and can't wait to have you back in school again!

While school remains closed, we will continue to keep in touch with you all via Parentmail, the school's Twitter page and the school's website.

Twitter: @MountbattenPrim

Website: www.mountbattenprimary.org.uk

From today, daily online Phonics lessons are taking place on You Tube. These will be useful for children in FS2, Year 1 and Year 2.

Phonics helps children to read by teaching them sounds so that they can then segment and blend to read words.

If you are eligible for free school meals, you should have got an email with your voucher from a company called Edenred.

If you think you might be entitled to claim free school meals, please contact the school office for more information.

Have you started your day with the Joe Wicks workout at 9am? Have you spent some time on TT Rock Stars of Lexia? Have you been busy baking or painting?

We can't wait to find out how you have spent your time! There are lots of resources on our website for you.

Remember that trying to have a daily routine and structure is important.

We will continue to carry out weekly check in calls to some of our families each week.

If any families need additional support at this time, please do get in touch with us. The school office is open from 9.15am until 12.45pm every day.
