## Task 1

Create a poster to explain to people why recycling is so important

Reduce, Reuse, Recycle!

Recycling one tin can saves enough electricity to power a TV for three hours.

All of the newspapers in the UK are made from 100% recycled paper.

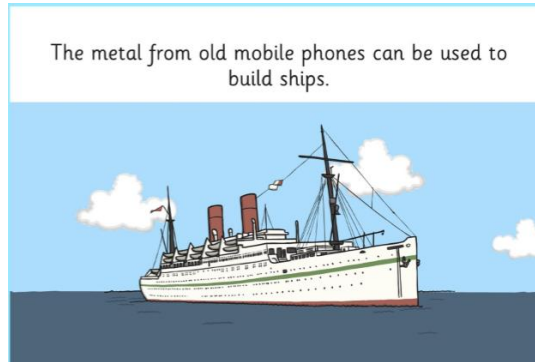

One bus carries as many people as 40 cars, and a train can carry as many people as 150 cars! Using public transport saves fossil fuels and reduces greenhouse gases.

Recycling one glass bottle saves enough electricity to run a light bulb for four hours.

The metal from old mobile phones can be used to build ships.

Each person in the UK uses about 300 plastic carrier bags every year.
