Mountbatten Primary School Newsletter

Be the best we can be!

Stay at home and stay safe

We hope that you have been working hard this week and are making progress in Reading and Maths. Don't forget to keep practicing on TT Rock Stars, Maths Whizz and Lexia, if you have a log in.

Your teachers are keeping an eye on your successes!

While school remains closed to most pupils, we will continue to keep in touch with you all via Parentmail, the school's Twitter page and the school's website.

In school on Friday, the children learnt all about VE Day and why it is still so important to us. They watched a video about VE Day and listened to some 1940's music.

Mrs Staniforth baked delicious buns for everyone and we had a VE Day picnic.

Hopefully, you will all have got your vouchers for free school meals from Edenred, and have been able to spend them in your chosen supermarket. We know that some of you have had problems with accessing them and we are sorry for that.

Miss Dobbs is checking daily if there are any problems, so please do phone the school office if we can help with these.

Last week, we got a message from Aminata at our partner school in Freetown, Sierra Leone. They have received the boxes we sent filled with resources and books.

She said thank you very much-we appreciate it so much. All the teachers are excited and can't wait to show the children and share the items with them.

We will continue to carry out weekly check in calls to some of our families each week. It has been lovely to find out how you are all getting on and to speak to some of the children too.

If any families need additional support at this time, please do get in touch with us. The school office is open from 9.15am until 12.45pm every day.
