

Weekly learning pack

FS1

Phonics

Task 1

1. Sing the alphabet song.
2. Revisit and practice all of the sounds you have learnt so far s, a, t, p, i, n, m and d.
3. This week we are revisiting the sounds g, o, c, k.
4. This week's activity is Fun letter formation. Using a tray with a layer of flour in it challenge your child to write their learnt letters with their index finger or a stick. Focus on this weeks focus letters of g, o, c, k.
5. Don't worry if you don't have flour you could use sand, rice, sugar, corn flour ect..
6. We have attached a copy of the rhymes for the sounds learnt, we use these rhymes when teaching the children how to form their letters.

Stretch: mmmountain
Handwrite: Maisie, mountain, mountain

Bounce: a-a-a-apple
Handwrite: Round the apple, down the leaf

Stretch: ssssnake
Handwrite: Slither down the snake

Bounce: d-d-d-dinosaur
Handwrite: Round his bottom, up his tall neck, down to his feet

Bounce: t-t-t-tower
Handwrite: Down the tower, across the tower

Bounce: i-i-i-insect
Handwrite: Down the body, dot for the head

Stretch: nnnnet
Handwrite: Down Nobby, over his net

Bounce: p-p-p-pirate
Handwrite: Down the plait and over the pirate's face

Bounce: g-g-g-girl
Handwrite: Round her face, down her hair and give her a curl

Bounce: o-o-o-orange
Handwrite: All around the orange

Bounce: c-c-c-caterpillar
Handwrite: Curl around the caterpillar

Bounce: k-k-k-kangaroo
Handwrite: Down the kangaroo's body, tail and leg

Maths

Task 1

1. This week's maths activity is Hide and Seek!!
2. Take it in turns to count from 1 to 10 before looking for the person who is hiding.
3. As your child grows in confidence in counting to 10 challenge them to count to 20.
4. Although this may not seem like your stereotypical maths activity playing hide and seek helps your child recite numbers in the correct order in a fun way.
5. Don't forget you can play hide and seek indoors and outdoors.

Challenge!

Can your child count to 10 or 20 confidently? Perhaps you could share with us a video on Tapestry so we can see what great work you're doing at home!

Other areas of learning

Task 1- Build a Den!!!

1. We would like you to build a den. It can be built however you like using boxes, blankets, clothes airers ect.
2. You could build your den inside or outside, what will you have in your den?
3. Can you make a sign for your den?
4. We can't wait to see your pictures on tapestry!!

Challenge!
Why not make a list with a grown up of the things you will need before you build your den.

Task 2- Explore Gloop!!

1. Gloop is a sensory material which is great to explore with your children.
2. All you need is cornflour and water. Add 1 cup of cold water to 2 cups of cornflour and mix to create Gloop.
3. Talk to your children about the texture, it's runny but you can roll it into a ball, watch it melt through your hands.
4. Why not add toys into your Gloop.

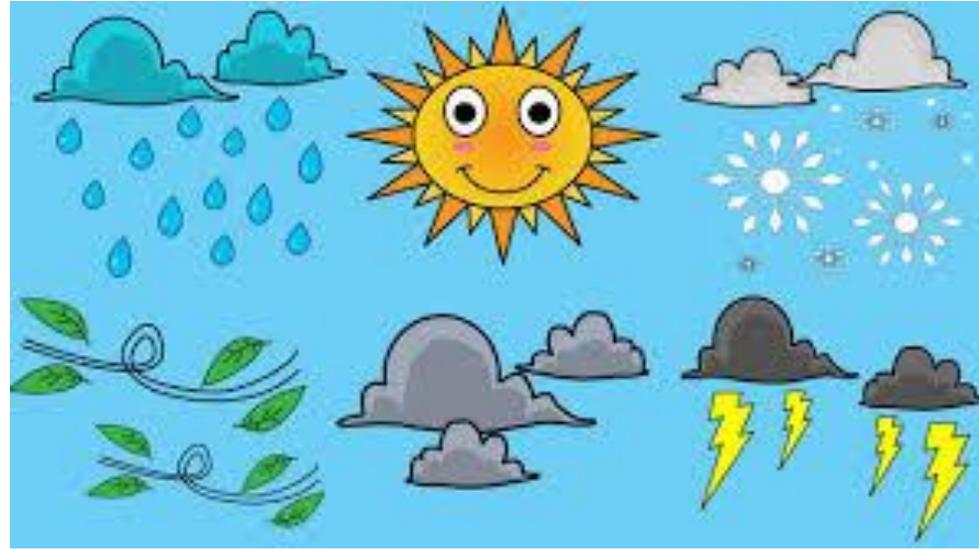

Although Gloop is messy it's very easy to clean up so don't worry about the mess

Task 3- Weather Log

1. This week we would like you to keep a weather log.
2. Discuss with your child what the weather is like each day. Look out of your window what can you see in the sky? Is it cloudy? Sunny? Are the trees blowing?
3. We have provided a Weather Log for you to fill out but feel free to create your own!

Challenge!
Can you take a picture of your weather log at the end of the week and upload it onto Tapestry for us to see?

Extra Challenge!
Why not try to predict what you think the weather might be like this week and compare the actual weather with your prediction. Where you right?

My 5 Day forecast

Meteorologist: _____

sunny cloudy stormy windy snowy rainy
